

# RANDOM ACTS OF KINDNESS

If you're anything like most people, then you are constantly mumbling things to yourself like, "People these days are just rude. What happened to the good days when everyone was polite?" Sound familiar? Of course, it does. For those of you that wish you could change the world, here is your opportunity.

One can never go wrong with kindness, and there can never be too much of it. The idea behind the Random Act of Kindness is to cultivate feelings of kindness and brighten up someone's day. Every small act of kindness is significant. It may seem like it doesn't accomplish much but, just like the domino effect, one act of kindness can lead to more positive outcomes. Don't hold back from uplifting others with compliments and compassion on this day.

The Bible speaks to acts of kindness. Galatians 5:22 But the fruit of the Spirit is love, joy, peace, longsuffering, **kindness**, goodness, faithfulness,

So, it's simple, be aware of the people around you. Pay for someone's coffee in the drive-through or at the checkout counter. Pay for someone's hamburger at a fast-food restaurant. But don't tell them who you are and make it about you. Make them a touchpoint card and make it about God and His church. We want to show the world that there are good, kind people still in the world, and they exist in the church.

We can't wait to hear the testimonies of what God will do through you and your random acts of kindness.

Please stop by the information desk and pick up a stack of touchpoint cards to use for all your random acts of kindness.
