Lord, let it start with me!

Pray for your Pastor & his family:

(From World Network of Prayer)

Lord, I am making the decision to stand with my pastor in prayer! I want to join with him as a sincere prayer partner and armor-bearer, and support him spiritually by praying for him and his family.

I ask You to deliver him from people who have wrong motives. I also pray that his ministry will be well received; that he will have joy in his ministry; that he will make wise decisions, stay in the will of God; and that he will always feel strong and refreshed in his spirit, soul, and body.

Let your divine protection be upon my Pastor's wife and family. Keep them safe from the evil one and lead them not into temptation.

Let Your Holy Angels always reside at the location of their residence and wherever they go.

Deliver them out of all their troubles, problems, circumstances, and situations. You are their almighty deliverer.

Keep all of them in good health. I rebuke every sickness, disease, and infirmity that tries to come against them.

I command every demonic, evil, unclean spirit to leave them in the name of Jesus Christ and I abolish every weapon of the enemy (Satan and his cohorts) in Jesus' mighty, awesome and glorious name.

I plead the blood of Jesus Christ upon each one of them from head to toe. They have been washed, cleansed, sanctified, redeemed, and justified through the blood of Jesus Christ. Let your banner fly high before them.

I pray that you use them as anointed and blessed vessels, laborers and witnesses to expand Your work at Solid Rock, and Your kingdom on earth.

Prosper them in their finances. Provide financial favor with their business contacts, employers, and co-workers.

Increase their spiritual knowledge, understanding, and wisdom. Let them be full and overflowing with spiritual power, Christ-like wisdom and love, and a Holy Ghost vigilant, tenacious spirit.

I know that my Pastor's family is in Your caring hands. In Jesus' name I pray, amen.
